

# UK Retail Finance Controller

## West London - Competitive salary

Since trading began in 1989, The Carphone Warehouse Group PLC has achieved phenomenal growth by focusing on customer service and providing an infrastructure that is unrivalled. Our aggressive expansion plans have made us the largest independent retailer of mobile communications in Europe. We now have a presence in 10 countries with over 1,460 stores. Due to this expansion the business has created a new position.

### The role

- Build and effectively manage strong relationships with the UK Retail Managing Director and UK Retail Sales Director and enable them to understand trends in revenue and cost streams and drive business performance
- Present and explain monthly results at the UK Retail Board meeting and update Retail Board members on performance against targets
- Identify new commercial opportunities to enhance profitability through new products or sales initiatives within the UK Retail business
- Analysis of retail performance to identify trends in trading results and recommend commercial actions to enhance performance

### The candidate

- Circa 3 years' PQE with first time passes and a strong academic track record
- Experience in an operational finance role, now looking to build on this experience in a highly commercial environment
- Excellent communication and presentation skills, highly motivated and able to offer real commercial insight into one of the UK's most innovative and successful businesses
