

Manager - International Finance

£excellent + package, South East

ICI Paints is a global £2bn division of a FTSE 100 company with a group turnover of nearly £6bn. With manufacturing operations in 25 countries, its brands are recognised and purchased globally.

The role manages the people and operations of the international finance team, who are responsible for the delivery of technically high quality financial and management information to the board and global CFOs. The team consists of high calibre ACA accountants and a graduate CIMA trainee. You will also represent the team on group initiatives and will implement change programmes.

The team is responsible for monthly and quarterly management reporting, involvement in strategy and budget processes and advising senior managers / directors on controlling cost centres, preparation of investment proposals and management accounting analysis to aid commercial decision-making.

The successful candidate will:

- likely be a qualified ACA with 2-5 years' PQE from a top 6 accounting firm - **currently working in either practice or industry**, or a technically strong CIMA
- have the ambition to progress within a global, market-leading FTSE 100 business
- have strong staff development, coaching and leadership abilities, and strong technical training and awareness
- have the ability to manage group-wide and local projects, including systems and quality initiatives

Please send your CV quoting referencee FTA/MRT/019/RXD to Mike Ternent at Finance Professionals, Providence House, River Street, Windsor SL4 1QT, or email miketernent@financeprofessionals.com Telephone +44 (0)1753 641 199 website www.financeprofessionals.com.
