

Financial Controller

£45,000 + benefits, Manchester

One World Leasing is an innovative new small ticket leasing company providing leasing solutions to business equipment manufacturers and resellers and to financial intermediaries and brokers. A fast growing and innovative business, it places significant emphasis on teamwork and collaboration to provide superior customer service and innovative solutions. Led by a senior management team with over 125 years of experience in the small ticket leasing industry, partnered with The Oakwood Group LLP and The Redstone Group of Companies LLP, this powerful combination ensures the business understands the issues that clients face and the resources required to make a real difference.

Reporting to the Finance Director, this high profile role has been created to promote and deliver a robust, efficient and effective finance function for the company by developing and improving the effectiveness of controls, policies and procedures, adding value to the company's financial accounting systems.

The ideal candidate will:

- Be a qualified accountant with 2 years' post qualified experience ACA / ACCA / CIMA
- Have gained financial services experience and ideally leasing experience
- Possess strong negotiation skills and the ability to communicate results from reviews and record progress on the implementation of new policies, procedures or corrective actions
- Develop and manage the financial reporting and the cash management processes
- Be able to influence at a senior level and progress further within the organisation
