Senior Business Analyst • £60,000 plus benefits • Finchley

Owners Provident is one of the largest ground rent investment firms in the UK, with a portfolio of over 200,000 properties. Owned by Consensus Business Group, the organisation is experiencing significant growth and is now looking for a Senior Business Analyst to form part of the management team and play a key role in the running of the company.

The business has a number of different operating departments focused on commercial property, ground rent collection, sales, lease extensions, insurance and administration.

The role:

The successful candidate will have responsibility for:

- Partnering the Operations Manager and the MD in the day to day running of the business. You will report initially into the Operations Manager, but can expect to take responsibility for a portfolio of activities
- Improving management reporting
- Fine tuning of operational procedures and processes
- Day to day commercial decision-making and ad hoc projects

The candidate:

To be considered for this position you will be a degree educated, qualified accountant with strong financial skills, ideally honed in the property sector. You will have prior experience of man-management and understand acquisitions and other transactions. Excellent communications are a prerequisite, as is the ability to build strong internal relationships.
