Operational Support Managers

Up to £40,000 + benefits – Northern Home Counties and the Midlands

Every week millions of customers visit our stores safe in the knowledge that they will be able to find whatever they want, whenever they need it. Much of this consumer confidence depends on the seamless efficiency of our distribution network. Within this complex operation, our finance teams play an integral role, allowing us to offer our customers that little bit extra.

We are looking for commercial individuals with a passion for putting customers first, who can work effectively in a fast-paced, challenging and ever changing environment. Our operational support managers act as the finance representatives on the management teams within a number of our key distribution centres. Focusing on the financial performance of the site, you will be responsible for supporting the general manager in the provision, interpretation and analysis of KPIs. You will take ownership for the financial performance of the distribution centre by preparing and producing budgets, working closely with the general manager to design and implement plans to achieve these budgets and refine the process to gain efficiencies.

Leading the finance team, you will be responsible for providing each individual with the necessary skills to realise their potential and ensure that they share your passion for keeping our customers satisfied.

These high-profile roles require:

- finalist/qualified accountants with a minimum of 3 years' work experience
- exposure to distribution or supply chain
- the ability to effectively manage and lead a team
- the initiative to maintain and improve the financial performance of the distribution centre
- the ambition to develop a structured and varied career with Tesco

To apply, please send your CV together with full, current salary details, quoting reference FTA/BRO/022/RXD to Finance Professionals, 1 High Street, Windsor SL4 1LD or email: tescocareers@financeprofessionals.com
